Permit Requirements Summary

El Dorado County

95613, 95614, 95619, 95623, 95629
95633, 95634, 95635, 95636, 95651
95656, 95664, 95667, 95672, 95682
95684, 95709, 95720, 95721, 95726
95735, 96142, 95150, 95762

Replacement of windows is considered a maintenance item. The addition of dual glazing or storm windows is an extension of normal maintenance, providing the window size or configuration is not changed. No permit is required for such maintenance or replacement, however, the work must conform to the current code.
